Scout _____ has my permission to attend the Utah High/Mini Adventure from March 20 to 30, 2010. In granting this permission, I (we) waive all claims against Boy Scout troop 171, the Boy Scouts of America, or any of its leaders for any injury or illness my son may sustain during this outing. In the event that I cannot be reached in an emergency, I hereby give permission to the physician selected by the adult leader in charge to hospitalize, to secure proper anesthesia, or to order appropriate injection or surgery for my son.

If I am involved in transporting Scouts on this outing, I will make sure that seat belts are provided for each passenger and driver. I also represent that the vehicle I will drive has adequate insurance coverage. (BSA requires $50,000/100,000 liability, $50,000 property damage).

SCOUTS: Please remember that if you must cancel for ANY reason, you must notify the **Scoutmaster**, the **transportation chairman**, and **trip leader**. If food has already been purchased or other costs have been incurred, you will still be billed for your share.

Adult Participation Note for High Adventure: This is a very challenging high adventure. Trained adult support is required. Adults going on this trip must have completed the adult training in troop 171, previous backpacking experience, current first aid certification, and trip leader approval. This trip has over a 1200-foot downhill hike just to enter the canyon. While hiking in the canyon, the trip may involve cold-water swimming and scree slopes. It is a fun but challenging adventure that must be respected.

SCOUTS AND ADULTS: I have read the information on the adventure invitation and the trip requirements listed below; and agree to fulfill my obligation to complete all requirements. Also, I realize that I have a $25.00 non-refundable deposit due with this reservation and an estimated total cost of $175 to $225. As the trip planning progresses, I agree to be responsible for the other trip costs as they occur. Full payment is required BEFORE the trip. **PLEASE CHECK <u>ALL</u> OF THE ITEMS BELOW THAT APPLY.**
